

CHRISTADELPHIAN BIBLE POSTAL COURSEStudent's Name: Ref No.: **LETTER for lessons 9 - 12 •**

Dear

On receiving these four lessons you have reached the half way mark of the course. It is our hope that you are finding it beneficial. We will continue praying to God that He may grant you understanding and that you may see the plan that God has for the world.

We wish to remind you that if you should have any queries about the lessons, the question sheets or any biblical topic, you can write to us and we will do our best to help you find the answer in the Word of God. Remember you can also use the coupon below to indicate your request. We also remind you of the great need to ask for God's blessing over your studies, through prayer. Jesus Christ was a man of prayer and so should his disciples be too.

Lesson 9 & 10 deal with God's promises to two men of faith in the Old Testament, Abraham and David. You will learn that these promises were not only for these two men who lived more than 3000 years ago, but are also for us, and have to do with our future - and the future of the world.

Lessons 11 and 12 deal with an important theme: life and death. You will discover what really happens to man when he dies - you will see that the truth about death is very simple and serious. Unless we put our lives in order before God now, the future is very dull.

May God's blessing rest upon you while you study His Word, helping you in your learning and understanding.

Regards, by grace in the Lord Jesus.
