**LETTER for lessons 13 - 16 •**

Dear

We pray that the lessons you have received up till now have helped you to understand more about the Bible. It is also our hope that God is enlightening you in the straight and narrow way which leads to life eternal. Together with this letter you will find Lessons 13-16.

Lessons 13 and 14 deal with the resurrection and the judgment seat, two events which have to happen when Jesus Christ returns. It is extremely important that we understand the doctrine of the judgment because our eternal destiny depends on it. Nowadays there exists the common idea that once converted, a Christian no longer needs to appear before the judgment seat. We will see that the Bible teaches that we all have to appear before the Judge!

The themes of Lessons 15 and 16 are about the Father, the Son, and the Holy Spirit. Many maintain that these three are one and the same but at the same time distinct. The Word of God teaches that the Father is the Almighty Creator and Jesus Christ His only begotten Son. The Holy Spirit is the power and presence of the Creator.

The Bible clearly teaches that the three are distinct. To say that the Son is the Father himself and equal to the Father is to destroy the basic meaning which the words 'father' and 'son' hold. John 17:3 shows us the importance of this theme:

"And this is life eternal, that they might know the only true God, and Jesus Christ, whom thou hast sent."

Remember to pray before starting your study. If you should have any queries on the lessons or any biblical subject - we will be happy to help you.

Regards, by grace in the Lord Jesus
